

THE IMPORTANCE OF FACIAL MASK

Granting You A Firm And Supple Soft Skin

The ever-growing stress and aging we all experience have cause many skin problems to women of all ages. Besides skincare products, facial mask has increasingly become a fast and reliable skincare product for all.

Many skin problems we experience today are due to the lack of moisture in our skin. Since most of the ingredients in a facial mask are consist of nutrient essence, hence, it is known to help immensely in nourishing our skin, while also replenish, moisturize, repair and whiten our skin, as well as facilitate skin metabolism and many more.

In order to maintain skin metabolism, replenishing sufficient moisture is vital, only then it is possible to treat skin problems from the inside out while helps regain vibrant skin. Therefore, it is very important to apply mask in your beauty routine. Below are the recommendations of various K-LINK SALOMÉ product Series facial masks:

Paper Mask

- **Mineral Moisturizing Paper Mask**

A mask like no other! This mask repairs, hydrates and nourishes the skin while also removing impurities. The end result is silky smooth skin.

Powder Mask

- **Deep Cleansing Powder Mud Mask For Face**

Enriched with Dead Sea mud, this unique formulation dramatically improves your skin's texture leaving it soft, refreshed and youthful.

Mud Mask

- **Hydrating Facial & Body Mud Mask (for body and face)**

A fantastically soothing and cleansing mask that replenishes the skin and removes impurities, leaving the skin glowing and fresh.

- **Mineral Mud Mask**

This mask made of minerals and mud is unlike anything you have put on your face before. It absorbs impurities, deeply cleanses the pores and leaves your skin clean, smooth and relaxed. This product promotes clarity and vibrancy, as well as improving the overall quality of the skin.

*exclusively for men

Tips For Applying Facial Mask:

1. Before applying facial mask, exfoliate your skin to remove dead skin cells and wash away the dirt on your face to enhance skin absorption.
2. After applying the mask, massage face gently to soften your skin, 'push' the nutrients into the skin and facilitate nutrients absorption.
3. After applying the mask, apply cream onto the face to lock in and prevent moisture loss.
4. It is recommended to use it just before sleep.
5. It is recommended to lie down when you apply the mask.
